Dear Tomorrow Fund Friend,

The unexpected journey children diagnosed with cancer and their families face is life changing. Each journey through childhood cancer is different: different diagnoses, different treatments and sadly different outcomes. The world as we know it has drastically changed yet one thing is true for all our families, they all need help beyond medical care to cope with the many challenges and harsh realities that accompany this traumatic disease. For this reason, The Tomorrow Fund exists and the truth is...we **cannot** do this alone. We need your help!

On **Sunday, April 6, 2025** The Tomorrow Fund will hold its **22nd Annual Tomorrow Fund Stroll at Garden City Center in Cranston, RI**. The Tomorrow Fund is extremely grateful for all the support it receives, and now more than ever, we need your help to continue our mission.

We NEED you to be a Stroll Corporate Partner for our 2025 Tomorrow Fund Stroll!

Proceeds from this event will ensure vital programs continue. All our programs are made possible through contributions such as yours. You will not only receive extraordinary recognition for your generosity, but more importantly, you will know in your heart that at the hour of greatest need, you made a profound difference in the life of a child with cancer.

Enclosed is a Tomorrow Fund Stroll Sponsorship Packet. Please review these materials carefully to fully understand how truly meaningful your participation is to our event.

On behalf of **these courageous children and their families**, thank you for considering this request. Together we can make a better **TOMORROW** for these children who need our help. We look forward to hearing from you soon.

Kind regards,

Stroll Committee
